

## Regional Management Team Associate Job Description

Talented members are asked to join the Associate program to train for future Regional Management Team positions. They will carry responsibilities as they serve. As an Associate, you will sit in on the RMT meetings, which are held approximately once a quarter, and whenever possible, held in conjunction with a Region #4 event. You will gain knowledge of the various jobs of the RMT members, and see how things work at the regional level. You will also be compensated for travel and you will receive a monetary stipend for the day.
